2016 Pool Readiness Checklist from The Pool Boys

	Clean Filter & Check Filter Elements We offer a complete filter cleaning service for \$120 - Give us a call
	Balance Chemicals Take it to The Pool Boys to test your water free
	Empty all Baskets & Check for Cracks We sell heavy duty replacements
	Check Performance of Pool Cleaner We rebuild all Polaris cleaners
	Check the Condition of Maintenance Tools We stock a good selection of poles, nets, brushes and more
	Check Supplies on Hand We carry a wide selection of chemicals to keep your pool in check
	Test all Equipment We provide sales, service and installation on most pool equipment
	Increase the Hours of Run Time for Your Pump This will help keep your pool cleaner during peak season
	Trim any Trees or Shrubbery to Keep Debris Out Less stuff in the pool, the better
	Teach the Kids (and Pets) About Pool Safety Last, but certainly not least... don't forget the little ones. They're the most important part.

We hope that this checklist helps you with preparing your swimming pool for summer. If you have any questions or would like to set up an appointment give us a call!

Thanks, The Pool Boys
